Saratov State National Research University

Moving towards policy of effective economic impact: economic situation in Russian Federation constituent entities

Keywords: Economic policy; Russian Federation constituent entities; Federation Council of Federal Assembly; division of powers; law-making process

The paper analyzes the economic impact of federal level entities on regional level entities in Russia. The authors point out that such impact, as a rule, has scattered and sketchy nature. The authors make the case for strengthening the constitutional basis of such economic relations with primary objective of creating institutions for public discussion of regional interests. The authors discuss the idea of changing the status of the Federation Council and amending the procedure of adopting federal laws that raise the interests of the Russian Federation subdivisions.

MAMATKAZIN, Ilya Robertovich

Candidate of legal sciences
Associate professor
Department of labour and international law
Perm State National Research University

Right to insurance pension and residence in care-giving institution

Keywords: Inpatient social service; care home; pension guarantees in care homes; payment for care home residence

The paper examines the right to pension and state benefits guaranteed to persons residing in care homes. The author analyzes the recently enacted rules regulating payment for care home residence.

Cryptoassets as object of theft

Keywords: Cryptoassets; cryptocurrency; digital currency; digital rights; digital financial assets; object of theft, theft, crimes against property

The paper analyzes crypto assets which have become the subject of a wide legal debate. Based on the criteria set out for the objects of theft, the analysis of court practice and scholarly works the authors prove that crypto assets meet the criteria of an object of theft. They also discuss the gaps in the relevant legislation and tackle pertinent questions of legal theory.

NIZOV, Vladimir Alexandrovich

Legal researcher
Research and expertise center for Informational technology
Russian Presidential Academy of National Economy and Public Administration

Legal forms of public property management through public law entities

Keywords: Public law entities; public property; public-private partnership; property management

The paper presents a classification of legal forms of public property management exercised through public law entities. By looking specific problems pertinent to some of the forms the author also explores possible solutions of those problems. In particular, the author suggests it is necessary to repeal the institution of state corporation and set out specific legislative requirements to private partners.

OCHKASOVA, Irina Valerianovna

Senior lecturer
Department of theory and history of state and law
Department of international law
Institute of law
S.P. Korolev Samara National Research University

Concept of extradition (surrender) of criminals and related institutions of international law

Keywords: Extradition; extradition of criminals; international law; national law; deportation; transfer of persons; expulsion; removal; international treaties

The paper considers the terminological problems inherent in the notion of extradition and related institutions of international law.

ODINTSOV, Artyom Konstantinovich

Postgraduate
Department of civil law
Lomonosov Moscow State University Law School

Indemnity in Russian law

Keywords: Civil law; indemnity; contract; civil liability; surety; representations, insurance

The paper analyzes the nature of indemnity in Russian law and compares it to related institutions. The author concludes indemnity has features similar to those of insurance

(insurance of party's principal obligations), yet it is argued that it is for the judges to decide whether the application of rules by analogy is permissible given the circumstances of each case.

STRYGINA, Anastasiia Vladimirovna

Postgraduate
Department of civil procedure
Lomonosov Moscow State University Law School

Oral proceedings as standard rule of civil procedure in Russia

Keywords: Oral nature of proceedings; civil procedure; civil proceedings; summary procedure; expedited procedure; justice

The paper analyzes the tradition of oral proceedings with orality as a basic requirement of civil procedure in Russia. The analysis covers the actualization of and variation in the orality principle at different stages of civil procedure. The author concludes that oral nature of proceedings is a standard rule of civil procedure thus non-compliance with this rule would be inadvisable; any alterations and amendments to this rule should be introduced through legislative procedure.

SYCHENKO, Elena Vyacheslavovna

Candidate of legal sciences
Associate professor
Saint Petersburg State University

SALOMONE, Riccardo

Juris Doctor
Professor
University of Trento (The Italian Republic)

Importation of labor standards provisions in labour agreements: EU practice and its applicability in EAEU

Keywords: Trade agreements; labour standards; minimum wage; EU; EAEU

The paper examines EU practice of incorporating labour standards provisions into trade agreements, as well as the mechanism for their implementation and their effectiveness. The authors analyze the relevant provisions in the agreement between EU and Korea, and the agreement between EAEU and Vietnam.

TOMSINOV, Vladimir Alekseevich

Doctor of legal sciences
Professor
Lomonosov Moscow State University Law School

Andrey Yanuarievich Vyshinsky (1883—1954), statesman and legal scholar.

Article fifty-two

Keywords: USSR; mass repressions in 1937—1938; I.V. Stalin; N.I. Bukharin; A.Ya. Vyshinsky; G.G. Yagoda

The article continues the series of works devoted to the professional career and academic legacy of A.Ya. Vyshinsky. The paper examines the twists and turns in the proceedings in the case against N.I. Bukharin, A.I. Rykov, G.G. Yagoda and others.

Problems of qualification of crimes of terrorist nature. Part one

Keywords: Terrorist act; public calls for terrorist activity; public justification of terrorism; terrorist propaganda; organizing terrorist associations; participation in terrorist associations; failure to report a crime; criminal case; investigator; prosecutor; judge

The paper examines the problem of qualification of crimes of terrorist nature. In particular, the author analyzes the elements of crimes set out in Article 205—205.6 of the Russian Federation Criminal Code. The analysis also covers the court practice related to the application of these provisions of criminal legislation.

ZHUKOVA, Yulia Dmitrievna

Candidate of legal sciences
Associate professor
Department of legal regulation of business
National Research University Higher School of Economics Law Faculty

Dissenting from decisions of governance bodies: scope of director's liability

Keywords: Powers of director; director's liability for losses; distribution of governance bodies powers; duty to act reasonably; duty to act in good faith; limits of director's competence

The paper analyzes the latest commentaries of the highest judicial authorities with regard to company law rules. The author points at the nonspecific character of the scope of executive directors' discretion with regard to the decisions of the board and shareholders' meeting. The analysis also covers the duties to act reasonably and in good faith which are to be exercised by the members of corporation when decisions are made on behalf of the corporation and when informal directions are given to a director.
